

ZOE AIKA SAUDI

diploma of psychology

ABOUT ME

Having nearly completed my diploma in Psychology, I am yet to embark on my true quest professionally. However, I am eager to explore my skills in service. Currently with an artistic skill in fine arts and photography, in a addition to my educational back ground in psychology, I am skilled in some customer service.

EXPERIENCE

Maiya Jacky Designs

Sales Person

- My main role includes receiving new customers and to sell merchandise
- I man the vendor booths when needed, answer brand questions, take orders
- Assist the customers in trying on the designs, from jewelry to the designer's clothes

August 7th Memorial Park

Volunteer

- Assisted on Nelson Mandela Day by registering and welcoming people in the memorial park (7th August, 2019)
- My roles includes very light administrative tasks to managing a group of people, e.g.: assisting senior citizens through a day out to registering individuals for a fun event..

Zamoyo, Tete-a-Tete Brand, Marketing & Communications

Research Assistant

- My role included researching for articles related to reproductive health, providing the needed facts and narrative
